

## Publish Comment

S&P Global Ratings generally publishes written comments received through this website in their entirety, except when the full-text would be unsuitable for reasons of tone or substance, as determined by S&P Global Ratings in its sole discretion. S&P Global Ratings reserves the right to edit or use all or any part of the text of a submitted comment in arriving at the definitive version of its Criteria, in its sole discretion. S&P Global Ratings may, if requested by any regulatory authority, provide copies of the original full-text comments received to such regulatory authority.
